Members

As above

Aims for the Year

- To organise and run high quality educational meetings on behalf of BSUG which meet the educational needs of delegates, represent good value for money for BSUG and facilitate CPD which enhances care for women with urogynaecological conditions.

Achievements

- Surgical Masterclass (May 2018)- Good delegate feedback. Net profit/loss awaited from RCOG meetings department.
- Following the departure of two very active members of the committee earlier this year, we have appointed 3 new consultant members.
- Programme for ASU in November includes a diverse spread of topics
- BSUG Dubai meeting planned to go ahead in May 2019
- Other meetings for 2019- Laparoscopic urogynae (MD), Pregnancy, Childbirth and the Pelvic Floor (MB), RCOG World Congress
